

NEED SPEED?

it's all about
DATA
INTEGRITY

Break the Cat 6 barrier today, and ensure the performance of your Gigabit Ethernet network tomorrow. Specify a Molex Category 6 structured cabling system and enjoy these important advantages:

SUPERIOR PERFORMANCE

Both the components and channel performance of the Molex structured cabling system exceed all proposed EIA/TIA Category 6 specifications. In channel testing it leaves the competition in the dust.

GREAT INDUSTRIAL DESIGN

The unique and patented DataGate Jack shields all connections from contamination and **automatically closes upon plug disconnect**. With every connect/disconnect, the integral DataGate shutter wipes the jack pins clean. And, it's available in 11 colors.

A TOTAL SOLUTION

As the second largest provider of connectors in the world, Molex knows what it takes to keep you coming back. Before you finalize your specification, learn more about the advantages of a 20-year warranted Molex Premise Networks Category 6 system solution.
